

## THERE HAS NEVER BEEN A BETTER TIME TO INSTALL A NEW FURNACE AND AIRCONDITIONER!

The ENERGY STAR® Loan Program is Back for a Limited Time

Prime +2% Financing OAC

The ENERGY STAR Loan Program focuses exclusively on:

- ENERGY STAR qualified furnaces (92%+ AFUE) with a brushless DC motor
- ENERGY STAR qualified boilers with an AFUE of 90% or greater

The following equipment can also be financed at Prime +2% when installed at the same time as a qualifying furnace or boiler:

- Any other natural gas equipment
- ENERGY STAR qualified air-conditioners with a SEER rating of 14.5 or higher
- A ventilation system certified by the Home Ventilation Institute (HVI)

The maximum loan amount available under this program is \$15,000. This program is in effect to March 31, 2010 only.

**ARMSTRONG AIR Furnaces and air conditioners as supplied and installed by All-Rite Plumbing & Heating DO MEET or exceed the efficiency ratings required to qualify for this financing offer.**
